Hi All,

To help with preparation for the upcoming interclub season our coaching team will be running 3 coaching sessions on Sundays September 11th , 18th and 25th 3pm-5pm indoors at Wilding Park for players that play any level of senior interclub.

These fun based drill sessions are designed to be fast moving and sharpen players up with some extra court time leading into the season ahead

To book in please do so for each week using this link, we have 12 spaces available each session.
